

## PHASE LEGEND

- EXISTING
- EXISTING TO BE RENOVATED
- NEW CONSTRUCTION
- OUTDOOR PATIO
- COVERED WALKWAY

**Pros**

- All functions interconnected
- Minimal circulation safety issues
- Centralized kitchen
- Fellowship links directly to all other functions
- Outdoor patio linked directly to Fellowship
- Entry sequence accommodates all 'entry functions'
- Allows future sale or rental of San Juan House

**Cons**

- Larger scope of initial renovation/addition
  - (constructing entry, chancel & fellowship)
- Must relocate outdoor patio area further east
- Columbine House would be removed—not renovated

**Phasing**

1. Renovate/Add to Sanctuary
  - a. Solve entry sequence, chancel & fellowship hall
2. Reconfigure parking lot
3. Renovate Columbine House
  - a. Renovate as needed
  - Or
  - b. Remove Columbine House
